- Fair division with uncertain needs, (18 Sep 2015). *Conference in honor of Herve Moulin*, Aix-Marseille University.
- Claim uncertainty and egalitarian division with wastage, (02 Jul 2015). *Conference on Economic Design*, Istanbul Bilgi University.

Claim Uncertainty and Egalitarian Division with Wastage, (26 May 2015). *NTU-HIROSHIMA Joint Economics Workshop*, Nanyang Technological University.

Fair division with random demands, (23 Aug 2014). *Singapore Joint Theory Workshop*, Singapore. Singapore

Fair division with random demands, (23 Aug 2014). *Singapore Joint Theory Workshop*, Singapore Management University.

Fair division with random demands, (17 Jun 2014). *Economic Dynamics Workshop*, Fudan University.

Fair division with random demands, (15 Jun 2014). *2014 Shanghai Microeconomics Workshop*, Shanghai University of Finance and Economics.

Fair division with random demands, (15 Jun 2014). *Shanghai Microeconomics Workshop*, Shanghai. China

Fair division with random demands, (10 Dec 2013). *5th Annual Summer Workshop of Center for Mathematical Social Sciences*, Auckland. New Zealand

Fair division with random demands, (10 Dec 2013). *5th Annual Summer Workshop of Center for Mathematical Social Sciences*, University of Auckland.

Fair division with probabilistic demand, (03 Aug 2013). *Asian Meeting of the Econometric Society*, National University of Singapore.

Three representations of preferences with decreasing absolute ambiguity aversion, (21 Jun 2013). Shanghai Microeconomics Workshop, Shanghai. China

Three representations of preferences with decreasing absolute uncertainty aversion, (21 Jun 2013). 2013 Shanghai Microeconomics Workshop, Shanghai University of Finance and Economics.

Three representations of preferences with decreasing absolute ambiguity aversion, (07 Oct 2012). *The Texas Economic Theory Camp*, Dallas, Texas.

Three representations of preferences with decreasing absolute uncertainty aversion, (07 Oct 2012). *The Texas Economic Theory Camp*, Southern Methodist University.

Optimal robustness under uncertainty, (03 Jul 2012). *Foundations and Applications of Utility, Risk and Decision Theory (FUR) Conference XV*, Georgia State University.

Optimal Robustness under Uncertainty, (29 Jun 2012). *The 2012 Econometric Society's North American Summer Meetings*, Northwestern University.

#### Invited Seminars, Talks and Lectures

Local dominance, (9 Nov 2021). Seminar Series, Institute of Economics, Academia Sinica

Local dominance, (13 Apr 2021). CCBEF Seminar Series, Southwestern University of Finance and Economics

Resource allocation with ambiguous needs, (17 Sep 2020). Economic Theory Seminar Series, University of Rochester

Resource allocation with ambiguous needs, (16 Sep 2020). Economics Research Seminar, NYU Shanghai

Equal-quantile rules in resource allocation with uncertain needs, (27 Dec 2019). CRETA Seminars in Economic Theory, University of Warwick

Preferences with changing ambiguity aversion, (09 Jan 2019). Economic Theory Workshop, Hitotsubashi University

Equal-quantile rules in resource allocation with uncertain needs, (03 Dec 2018). Seminars in Microeconomics, Xiamen University

Equal-quantile rules in resource allocation with uncertain needs, (14 Dec 2017). Seminars, University of Hawaii

Fair division with uncertain needs, (29 Nov 2017). Economics Seminar, University of Hong Kong

Three representations of preferences with decreasing absolute uncertainty aversion, (11 Dec 2015). Seminars, University of Hawaii

Claim uncertainty, wastage and egalitarian division, (31 Jul 2015). ISER Seminar Series, Osaka University

Three representations of preferences with decreasing absolute uncertainty aversion, (24 Jul 2015). Rokkodai Theory

Seminars, Kobe University

Claim uncertainty and egalitarian division with wastage, (25 Jun 2015). Economic Theory Workshop, Hitotsubashi University

Three representations of preferences with decreasing absolute uncertainty aversion, (11 Jun 2015). Seminars, Hiroshima University

Claim uncertainty and egalitarian division with wastage, (28 May 2015). Tokyo Center for Economic Research (TCER) Workshop, Waseda University

Three representations of preferences with decreasing absolute uncertainty aversion, (21 May 2015). Microeconomics/Game Theory Seminar, Kyoto University

Fair division with random demands, (20 Jun 2014). Seminars, Tsinghua University

Fair division with random demands, (22 May 2014). Microeconomics/Game Theory Seminar, Kyoto University

Fair division with random demands, (28 Mar 2014). Research Workshop, Singapore Management University

Fair division with random demands, (01 Jan 2014). Research Workshop, Singapore Management University, Singapore

Three representations of preferences with decreasing absolute ambiguity aversion, (28 Nov 2013). The Department of Economics Seminars Series, National University of Singapore, Singapore

Three representations of preferences with decreasing absolute uncertainty aversion, (28 Nov 2013). Seminar Series, National University of Singapore

Aspiration and confidence under uncertainty, (08 Nov 2012). Microeconomics Theory Workshops, Houston, Texas, United States of America

Aspiration and confidence under uncertainty, (08 Nov 2012). Theory seminar series, Rice University

Egalitarian division under Leontief preferences, (13 May 2011). ECORE Summer School on "Market Failure and Market Design", Université Catholique de Louvain

Egalitarian division under Leontief preferences, (05 May 2011). Microeconomics Theory Workshops, Houston, Texas, United States of America

Egalitarian division under Leontief preferences, (05 May 2011). Theory seminar series, Rice University
