## **B. ACADEMIC SERVICE**

### **1. General responsibility for an area of Discipline, School or Faculty academic activity.**

Comité Consultatif Scientifique (2009-), University of Luxembourg, that is consulted by the rectorate for scientific strategies and problems of the University.

### **2. Service as an official at Discipline, School, Faculty or University level, and service on Discipline, School, Faculty or University Committees.**

IBFE board (2000-4; 2006-) and IBFE Representative (2006-4;2006) where I liaise with the Economic Department on matters pertaining to the Economic courses taught to IBFE students.

IBFE Strategy Group (2000-1) where I actively participated to the evaluation of this new program, the strategic positioning of this program in the Faculty curriculum and the assessment of resources. Students' complaints revealed that the program was indeed facing resources problems and lack of specificity. To my instigation, the Group report advised to strengthen the role of the program secretary, to propose course specific to IBFE and to organize IBFE events.

Economic Theory Seminar (2000-4) where I organised the weekly seminars on Economic Theory (contacting external speakers, inviting for dinner, following-up bills, etc.)

BA(econ) Committee (2006-) where I liaise matter arising in IBFE program.

Business Stream Representative (2006-) where I promote Business studies during open days (formal presentation; individual contacts; etc.)

BsEcon Personal Tutor (2000-2, 2003-4, 2006-) where I supervise and advise a group of students (around 20). It includes (1) regular meeting with students to reflect on their progression at the University and on academic and professional perspectives; (2) individual meeting for individualized advice on their studies, job strategy and finally writing some reference letters

IBFE Personal Tutor (2002-4, 2006-) where I advise and follow-up IBFE students in their Personal Development at the University (groups meetings on personal development; individual contacts; letter of references etc.).

BA(Econ) Academic Advisor (2006-) where I assist students in their choice of course units and possible course changes.

Personal Tutor (2008-) where I advise and follow-up students in their Personal Development at the University of Luxembourg.

Design and Management of the Doctoral School in Economics and Finance at the University of Luxembourg (2009-).

Head of the Doctoral School in Economics and Finance at the University of Luxembourg (2011-).

Member of Comité Consultatif Scientifique at the University of Luxembourg (2009-).
