---

## PROFESSIONAL EXPERIENCE

---

Assistant Professor, The Chinese University of Hong Kong, Shenzhen, July 2017 - Present

## EDUCATION

---

Ph.D. in Economics, University of California, San Diego, 2017  
Committee: Andres Santos (Co-chair), Yixiao Sun (Co-chair), Brendan K. Beare  
Research Fields: Econometric Theory and Applied Econometrics  
M.S. in Economics, Singapore Management University, Singapore, 2011  
M.A. in Economics, WISE, Xiamen University, China, 2011  
B.S. in Mathematics & B.A. in Economics, Xiamen University, China, 2008

## PUBLICATIONS

---

- [1] “Testing Homogeneity in Panel Data Models with Interactive Fixed Effects”  
*Econometric Theory*, Vol. 29(6) (2013), 1079-1135 (with Liangjun Su).
- [2] “Improvement in Finite-Sample Properties of GMM-Based Wald Tests”  
*Computational Statistics*, Vol. 28(2) (2013), 735-749 (with Yu Ren).

## WORKING PAPERS

---

- “Improved Inference on the Rank of a Matrix with Applications to . . .” (with Zheng Fang)
- “Uniform Inference in Instrumental Variables Models with Identification Failure”
- “Inference on Functionals under First Order Degeneracy” (with Zheng Fang)
- “Robust and Optimal Estimation for Partially Linear IV Models with Partial Identification”

## HONORS AND AWARDS

---

- Full Tuition Scholarship, U.C. San Diego, 2011-2017
- Graduate Student Travel Grant, U.C. San Diego, 2016, 2017
- Clive Granger Research Fellowship, U.C. San Diego, 2014
- Walter P. Heller Best Third Year Paper Award, U.C. San Diego, 2014
- CPhil Fellowship, U.C. San Diego, 2014
- Graduate Summer Research Grant, U.C. San Diego, 2012, 2013, 2014
- Graduate Fellowship, Singapore Management University, 2009-2011

- Awards for Top Academic Performance, Xiamen University, 2004-2008
- Huawei Fellowship, Xiamen University, 2007

#### TEACHING EXPERIENCE

---

- ECON 6102: Advanced Econometrics (Graduate Level, CUHK(SZ), 2017)
- ECON 3121: Introductory Econometrics (Undergraduate Level, CUHK(SZ), 2017)

#### PROFESSIONAL ACTIVITIES

---

- Refereeing for: *Journal of Econometrics*, *Studies in Nonlinear Dynamics & Econometrics*

Last updated: July 13, 2017
