

CURRICULUM VITAE
Jeffrey Andrew Smith
October 2019

Personal Information

Department of Economics
University of Wisconsin-Madison
William H. Sewell Social Science Building
1180 Observatory Drive
Madison, WI 53706-1393

Phone: (608) 262-3066
Email: econjeff@ssc.wisc.edu
Alternative email: econjeffsmith@gmail.com
Citizenship: U.S.

Education

1996 Ph.D. Economics, University of Chicago
1987 M.A. Economics, University of Chicago
1985 B.S. Computer Science, University of Washington
1985 B.A. Economics (with honors), University of Washington
[N.B. Transcript incorrectly indicates honors in Computer Science]

Thesis

Title: Three Essays in Labor Economics
Committee: James Heckman (chair), V. Joseph Hotz, Robert LaLonde

Positions held

July 2018-	Assoc. Dir. for Teaching and Research, Institute for Research on Poverty
May 2018-	Research Affiliate, Center for Financial Security, UW-Madison
April 2018-	Research Affiliate, Center for Demography and Ecology, UW-Madison
March 2018-	Paul T. Heyne Distinguished Chair in Economics, University of Wisconsin
March 2018-	Richard Meese Chair in Economics, University of Wisconsin
January-March 2018	Visiting Professor of Economics, University of Wisconsin
January 2017-	Advisory Board, IMPAQ
July 2016-	Research Fellow, Center for Evaluation and Development (C4ED)
July 2015-Dec. 2017	Research Professor, PSC, Institute for Social Research, Univ. of Michigan
July 2014-	Member, HCEO Global Working Group

July 2011-Dec. 2017 Professor of Public Policy, Ford School, University of Michigan
 July 2007-Dec. 2017 Faculty Associate, SRC, Inst. for Social Research, Univ. of Michigan
 July 2006-June 2015 Research Affiliate, PSC, Inst. for Social Research, Univ. of Michigan
 Sept 2006- Research Associate, National Bureau of Economic Research
 July 2005-Dec. 2017 Professor, Department of Economics, University of Michigan
 July 2004-June 2005 Professor, Department of Economics, University of Maryland
 July 2004- International Research Associate, Institute for Fiscal Studies
 July 2001-June 2004 Associate Professor, Department of Economics, University of Maryland
 Nov. 2003-June 2007 Visiting Research Fellow, Policy Studies Institute
 July 2003-June 2005 Adjunct Research Professor, University of Western Ontario
 July 2003-June 2005 CIBC Visiting Scholar, University of Western Ontario
 August 2002 Visiting Research Fellow, Australian National University
 July 2000-June 2001 CIBC Chair in Human Capital and Productivity, U. of Western Ontario
 1999-2024 Research Fellow, Forschungsinstitut zur Zukunft der Arbeit (IZA)
 July 1999-June 2001 Associate Professor, Department of Economics, U. of Western Ontario
 July 1994-June 1999 Assistant Professor, Department of Economics, U. of Western Ontario
 June 1997-Sept. 2006 Faculty Research Fellow, National Bureau of Economic Research
 June 1991-June 1994 Research Associate, Center for Social Program Evaluation, Harris
 Graduate School of Public Policy Studies, University of Chicago
 1990-91 Instructor, Harris School of Public Policy Studies, University of Chicago

Special honors and awards

1985-89 University of Chicago Century Scholarship
 1985-89 Institute for Humane Studies Claude R. Lambe Fellowship
 1988-90 Bradley Foundation Fellowship
 1996 Upjohn Institute Award for Best Dissertation in Labor Economics
 1997 John Charles Polanyi Prize (for young scholars in Ontario, CDN\$15,000 cash award)
 1998 University of Western Ontario Department of Economics Professor of the Year (selected by department undergraduates).
 1999 Royal Economic Society Prize for best article in the *Economic Journal* (with J. Heckman)
 2009 UM Golden Widget Award for “Best Faculty Advisor for Research / Paper Support”
 2012 UM Golden Widget Award for “Best Faculty Advisor”
 2016 Fellow of the Society of Labor Economists
 2017 Ronald G. Ehrenberg Chair of Labor Economics at Cornell (declined)
 2017 Frances D. Rasmus and Jerome A. Castellini Chair in Economics at Notre Dame (declined)
 2019 University of Washington Department of Economics Distinguished Alumnus

Research Support

1996-99 “Developments in the Analysis of Experimental Data”

Role: Principal Investigator

Grantor: Social Sciences and Humanities Research Council of Canada

Amount: CDN\$54,000

1998 “Econometrics and Policy Conference”

Role: Co-Principal Investigator (with Victor Aguirregabiria)

Grantor: Social Sciences and Humanities Research Council of Canada

Amount: CDN\$9,395

1999-01 “Estimating the General Equilibrium Impacts of the Self-Sufficiency Project”

Role: Co-Principal Investigator (with Shannon Seitz)

Contractor: Social Research and Demonstration Corporation

Amount: CDN\$30,000

1999-01 “The Effects of University Quality on Earnings”

Role: Principal Investigator

Grantor: Social Sciences and Humanities Research Council of Canada

Amount: CDN\$48,000

2000-01 “Estimating the Duration of Unemployment Benefit Reciprocity”

Role: Co-Principal Investigator (with Dan Black)

Grantor: U.S. Department of Labor

Amount: US\$99,980

2000-01 “Medium-Term Assessment of the Hours-Based Employment Insurance Eligibility System” Role: Principal Investigator

Contractor: Human Resources Development Canada

Amount: CDN\$22,000

2003-13 “Evaluating Participant Self-Evaluation.”

Role: Co-Principal Investigator (with Nat Wilcox)
Grantor: W.E. Upjohn Institute for Employment Research
Amount: US\$65,024

2004-05 “Work, Welfare and Unemployment Insurance: Examining Alternative Policy Regimes for Low-Skill Workers”

Role: Co-Principal Investigator (with Jeremy Lise and Shannon Seitz)

Grantor: Social Research and Demonstration Corporation

Amount: Contingent

2005-12 “Estimating Neighborhood Effects on Low-Income Youth”

Role: Co-Principal Investigator (with Brian Jacob and Jens Ludwig)

Grantor: W.T. Grant Foundation

Amount: US\$367,207

2006-12 “Using LEHD to Evaluate Workforce Investment Act (WIA) Impacts”

Role: Co-Principal Investigator (with Fredrik Andersson and Harry Holzer)

Grantor: National Science Foundation

Amount: US\$355,000

2009-13 “Where are all the Female Engineers?”

Role: Co-Principal Investigator (with Dan Black)

Grantor: National Science Foundation

Amount: US\$166,000

List of Presentations

Invited presentations at conferences

1997 Deutsche Statische Gesellschaft (German Statistical Association) (Lutherstadt-Wittenberg)
“The Econometrics of Social Experiments”

1998 Canadian Economic Association Meetings (Ottawa) “Experimental and Non-experimental Evaluation”

1998 Her Majesty’s Treasury Conference on Evaluation of Labour Market and Social Policies (London) “Experimental and Non-experimental Evaluation”

1999 University of Alberta Faculty of Business Conference on Government Productivity and Competitiveness: What are the Issues? (Edmonton) “Remarks on Program Evaluation and Efficient Government”

1999 Institut für Arbeitsmarkt- und Berufsforschung (IAB) Conference on Labor Market Policy Program Evaluation (Nuremburg) “Evaluating Active Labour Market Policies: Lessons from North America”

1999 Institute für Wirtschaftsforschung Halle Conference on Evaluation of Social Programs (Halle) “Social Experiments: Theory and Evidence”

2000 Swiss Society of Statistics and Economics (Solothurn) “A Critical Survey of Empirical Methods for Evaluating Employment and Training Programs”

2001 International Society for Pharmacoconomics and Outcomes Research Annual Meeting (Washington, DC) “Propensity Scores: Lessons from the Econometric Literature”

2001 Deutsche Institute für Wirtschaftsforschung (Berlin) “Profiling in Social Programs”

2003 “Social Experiments” NICHD Research Network (Washington DC)

2004 IFAU Conference on “Can statistical models increase the efficiency at the employment office?” (Uppsala) “Remarks on Targeting Active Labor Market Programs in the United States”

2006 Conference on Evaluation Methods (Sevilla) “How Well Do We Measure Public Job Training?”

2007 Frontiers in Social Science and Statistics (Michigan) “Using Experiments as Benchmarks for Non-Experimental Estimators of Causal Effects: What have We Learned?”

2008 Canadian Labor Studies Research Network (Vancouver) “Evaluating the Regression Discontinuity Design Using Experimental Data.”

2008 Policy Studies Institute, 3rd Annual Steven Lissenburgh Memorial Lecture (London) “Reflections on the Evaluation of Active Labor Market Programmes in the UK”

2008 IAB Conference on Vouchers, Contracting-Out and Performance Management in Active Labor Market Policy (Nuremburg) “Performance Management as Evaluation”

2008 Workshop on New Aspects of Active Labour Market Policies (Ebeltoft, Denmark) “The Econometric Evaluation of the New Deal for Lone Parents”

2009 Danish Microeconomic Meeting (Copenhagen) “The Women of the National Supported Work Demonstration”

2009 Productivity Commission of Australia Conference (Canberra) “Putting the Evidence in Evidence-Based Policy”

2010 LEMMA / cemmap / ADMIN workshop on Measuring School Effectiveness (Oxford)
“Methodological (and Other) Issues on Measuring Value Added: An International Perspective”

2010 SNS (Stockholm) “The Art of Evaluation”

2010 NSF Workshop on the Science of Science Measurement (DC) “The Analytical Basis for the Evaluation of Science Policy: An Econometric Perspective”

2011 Canadian Economic Association Meetings (Ottawa) “State of the Art Lecture: Putting the Evidence in Evidence-Based Policy”

2011 2-Day Workshop of the Centre for Research in Active Labour Market Policy Effects (Børkop, Denmark) “On Educational Performance Measures”

2012 Copenhagen Business School Common Ground: Recent Work in Empirical Labour and Industrial Organization Conference, Labour Keynote Speaker: “Equilibrium Policy Experiments and the Evaluation of Social Programs.”

2014 APPAM Panel on Statistical Significance

2015 11th IZA Conference on Labor Market Policy Evaluation Keynote: “Does Federally Funded Job Training Work?”

2016 Australian Conference of Economists Keynote: “What Have We Learned from Using Experiments as Benchmarks?”

2016 COMPIE (Milan) Keynote: “Current Issues in the Evaluation of Social and Educational Programs”

2016 6th Joint IZA/IFAU Conference on Labor Market Policy Evaluation (Bonn) Keynote: “What Have We Learned From Using Experiments as Benchmarks?”

2016 ZEW (Mannheim) Conference on Inequality and Fairness of Political Reforms Keynote: “Heterogeneous Treatment Effects”

2017 Ottawa Carleton Graduate School of Economics Opening Conference (Ottawa) “The Consequences of Academic Match Between Students and Colleges”

2017 RWI Conference on Youth Employment Programs (Berlin) “Remarks on the Evaluation of Labor Market Programs”

2018 Malim Harding Lecture (Toronto) “Reflections on the Evaluation of Active Labor Market Programs”

Invited presentations at university or institute seminars

“Making the Most Out of Program Evaluations and Social Experiments: Accounting for Heterogeneity in Program Impacts”

1994 University of Western Ontario

1994 University of California at Berkeley (Agricultural and Resource Economics)

“Ashenfelter's Dip and the Determinants of Participation in a Social Program: Separating the Impact of Administrative Rules and Behavior”

1994 University of Kentucky

1995 McMaster University

1995 Queen's University

1996 Carnegie-Mellon University

“The Performance of Performance Standards”

1996 University of Toronto

1999 British Columbia Ministry of Social Development and Economic Security

2000 University of Missouri

2000 Syracuse University

2000 McMaster University

2003 Policy Studies Institute

“Evaluating the Welfare State”

1997 University of Chicago

“Substitution and Dropout Bias in Social Experiments: A Study of an Influential Social Experiment”

1995 University of Western Ontario

1997 University of British Columbia

1997 University of Victoria

1997 Université du Québec à Montréal

1997 University of Windsor

1998 W.E. Upjohn Institute for Employment Research

“Lessons for Evaluation Research from the U.S. National JTPA Study”

1997 Universität Tübingen
1997 Zentrum für Europäische Wirtschaftsforschung
1997 Universität Konstanz

“College Quality and the Earnings of Young Men”

1997 University of Western Ontario
1997 Simon Fraser University
1998 York University

“Characterizing Selection Bias Using Experimental Data”

1998 Michigan State University

“Measuring Earnings Dynamics Among the Poor: Evidence from Two Samples of JTPA Eligibles”

1998 University of Michigan

“Is the Threat of Reemployment Services More Effective Than the Services Themselves? Evidence from Random Assignment in the UI System”

1998 University of Western Ontario
1998 Institute for Fiscal Studies
1998 Tinbergen Institute
1998 University of Toronto
1999 Boston University
1999 Cornell University
2000 SUNY-Buffalo
2000 University of Houston
2000 University of Maryland
2001 Northwestern University
2001 University of Rochester
2001 University of Victoria
2001 Queen’s University
2002 University of Essex
2002 Institute for Research on Poverty
2002 University of New South Wales
2002 U.S. Bureau of Labor Statistics
2003 George Washington University

“The Sensitivity of Alternative Non-experimental Estimators: A Simulation Study”

1999 Policy Studies Institute
1999 University of British Columbia

“Does Matching Overcome LaLonde’s Critique of Nonexperimental Methods?”

2000 University of North Carolina
2000 University of Pittsburgh
2001 Institute for Fiscal Studies
2001 Yale University
2001 Université Laval
2001 McGill University
2001 Princeton University
2001 University of Stockholm
2001 Universität St. Gallen
2001 Boston College
2002 Mathematica Policy Research (DC)
2002 Policy Studies Institute.
2002 Department of Family and Community Services (Australia)
2002 University of Wisconsin
2002 University of California – Santa Barbara
2003 University of Kentucky
2003 Ohio State University
2003 Urban Institute
2004 University of Guelph

“How Robust is the Evidence on the Effects of College Quality? Evidence from Matching”

2002 Board of Governors, U.S. Federal Reserve Bank
2002 University of Sydney
2002 Uppsala University
2002 University of California – Irvine
2002 University of California – Los Angeles
2002 Universität St. Gallen
2003 University College, Dublin
2003 University College, London
2003 George Mason University
2003 Ohio State University

“Equilibrium Policy Experiments and the Evaluation of Social Programs”

2003 Tulane University
2003 University of British Columbia

2003 Universität Mannheim
2003 World Bank
2004 Institute for Fiscal Studies
2004 University of Michigan
2004 University of Wisconsin
2005 London School of Economics
2005 Harvard University
2006 Université du Québec à Montréal
2006 University of Houston
2006 Texas A & M University
2006 University of Chicago (Harris School)

“What is the Value Added by Case Workers?”

2003 University of Maryland
2004 U.S. Census Bureau

“College Characteristics and the Wages of Young Women”

2004 Centre for the Economics of Education (IFS/LSE)

“Are Program Participants Good Evaluators?”

2005 University College London
2005 University of Florida
2006 Concordia University
2006 Queen’s University
2006 University of Chicago (CHAS)
2008 Indiana University
2010 Universität Mannheim (Humboldt seminar)
2011 Inter-American Development Bank
2013 University of California-Irvine
2014 University of Michigan (ISQM)
2015 Queens College

“Evaluating the Returns to College Quality with Multiple Proxies for Quality”

2005 University College London
2005 University of Illinois
2005 Michigan State University
2007 Oakland University

“Methods and Applications of Targeting Systems to Labor Market Policy”

2005 Göthe Universität Frankfurt
2005 Universität Nürnberg

“Teenage Childbearing and Maternal Schooling Outcomes: Evidence from Matching”

2006 University of Michigan (PSC)

“Evaluating the Performance of Discontinuity Estimators Using Experimental Data”

2006 University of Pennsylvania
2006 Policy Studies Institute
2008 Tinbergen Institute
2013 University of Virginia

“Bandwidth Selection and the Estimation of Treatment Effects with Non-Experimental Data”

2006 Göthe Universität Frankfurt

“The Econometric Evaluation of the New Deal for Lone Parents”

2008 Duke University
2008 Institute for Fiscal Studies
2008 Universität Freiburg
2008 University of Maastricht
2009 University of California – Riverside
2009 Federal Reserve Bank of New York
2009 Indiana University / Purdue University at Indianapolis
2009 University of Melbourne
2009 Australian National University
2010 Université Laval

“Using Experiments as Benchmarks for Non-Experimental Estimators of Causal Effects: What have We Learned?”

2009 NYU (CASSR / IHDSC)

“The Determinants of Mismatch between Students and Colleges”

2010 Michigan State University
2010 University of Arizona
2010 University of Rochester
2010 Universidad Carlos III / CEMFI joint seminar

2011 University of Miami
2011 University of Toronto
2011 Georgia State University
2011 Cornell University
2011 Syracuse University
2011 Universität St. Gallen
2013 University of Virginia
2013 University of California-Irvine

“Remarks on Field Experiments in Labor Economics and the Economics of Education”

2012 Chapman University

“Does Federally Funded Training Work? Non-experimental Estimates of WIA Training Impacts Using Longitudinal Data on Workers and Firms”

2012 McMaster University
2012 Simon Fraser University
2013 Institute for Fiscal Studies
2014 UM-MSU-UWO Labor Economics Day at UWO
2016 Cornell University
2016 IMPAQ
2016 Syracuse
2017 Wisconsin
2018 McGill
2019 Minnesota - Carlson
2019 Texas A&M
2019 St. Louis Fed

“The Consequences of Academic Match between Students and Colleges”

2013 CESifo Education Conference
2014 University of Pennsylvania (GSE)
2014 Western University of Ontario
2014 Washington University in St. Louis
2014 Dartmouth
2015 Stanford CEPA
2015 MDRC
2015 University of Washington
2015 University of Illinois at Champaign-Urbana
2016 University of California – Davis
2016 Cleveland Fed
2016 University of Chicago

2016 University of Mannheim
2017 HEC Montreal
2017 Ohio State
2018 University of Toronto
2018 Guelph University
2018 Wilfred Laurier University
2018 University of Colorado
2018 University of Illinois at Chicago
2018 Institute for Fiscal Studies

“Teacher Effectiveness in Africa”

2018 University of Wisconsin – DemSem
2019 University of Texas at Austin
2019 Washington

Presentations at conferences and professional meetings

1993 American Economic Association Meetings (Anaheim) “The Non-experimental Evaluation of Employment and Training Programs”

1994 American Economic Association Meetings (Boston) “Analyzing the Experimental Data from the National JTPA Study”

1994 Eastern Economic Association Meetings (Boston) “U.S. Education and Training Policy: A Re-evaluation of the Underlying Assumptions Behind the >New Consensus”

1994 NBER Labor Studies Group (Boston) “Ashenfelter's Dip and the Determinants of Participation in a Social Program: Separating the Impact of Administrative Rules and Behavior”

1995 Canadian Employment Research Forum Conference on Retooling the Workforce (Fredericton) “Ashenfelter's Dip and the Determinants of Participation in a Social Program: Implications for Simple Program Evaluation Strategies”

1995 Canadian Econometric Study Group (Montreal) “Evaluating the Welfare State”

1996 NBER Conference on Youth Employment and Unemployment in Advanced Countries (Konstanz) “The Sensitivity of Experimental Impact Estimates”

1996 Canadian Economic Association Meetings (St. Catharines) “The Performance of Performance Standards”

1996 RAND Corporation Conference on New Advances in Welfare Research (Santa Monica) “Characterizing Selection Bias Using Experimental Data”

1997 American Economic Association (New Orleans) “Assessing the Performance of Performance Standards in Public Bureaucracies”

1997 NBER Conference on Youth Employment and Unemployment in Advanced Countries (Winston-Salem) “The Sensitivity of Experimental Impact Estimates”

1997 Institute for Research on Poverty Summer Conference (Madison) “Measuring Earnings among the Poor: Evidence from Two Samples of JTPA Eligibles”

1997 NBER Summer Institute Labor Studies Group (Boston) “Substitution and Dropout Bias in Social Experiments: A Study of an Influential Social Experiment”

1998 Midwest Economic Association Meetings (Chicago) “The Performance of Performance Standards”

1998 Canadian Economic Association Meetings (Ottawa) “College Characteristics and the Wages of Young Men”

1998 Western Economic Association Meetings (Lake Tahoe) “College Characteristics and the Wages of Young Men” and “Substitution and Dropout Bias in Social Experiments: A Study of an Influential Social Experiment”

1998 Western Research Network on Employment and Training Economic Outcomes Group Summer Workshop (Vancouver) “College Characteristics and the Wages of Young Men”

1998 NBER Summer Institute Labor Studies Group (Boston) “College Characteristics and the Wages of Young Men”

1999 American Economic Association Meetings (New York) “Is the Threat of Training More Effective Than Training Itself? Experimental Evidence from UI Claimant Profiling”

1999 Zentrum für Europäische Wirtschaftsforschung conference on Evaluation of Social Programs (Mannheim) “Is the Threat of Training More Effective than Training Itself? Experimental Evidence from the UI System”

1999 U.S. National Academy of Sciences Conference on Designing Incentives to Promote Human Capital (Newport Beach) “Understanding Incentives in Public Organizations”

2000 Canadian Economic Association Meetings (Vancouver) “Does Matching Overcome LaLonde’s Critique of Nonexperimental Methods?”

2000 Institute for Research on Poverty Summer Conference (Madison) “Does Matching Overcome LaLonde’s Critique of Nonexperimental Methods?”

2000 Royal Statistical Society Conference on Programme Evaluation (London) “The Sensitivity of Alternative Non-experimental Estimators: A Simulation Study”

2000 Econometric Society World Congress (Seattle) “Is the Threat of Training More Effective than Training Itself? Experimental Evidence from UI Claimant Profiling”

2000 Western Research Network on Education and Training Summer Workshop (Vancouver) “Does Matching Overcome LaLonde’s Critique of Nonexperimental Methods?”

2000 Canadian International Labour Network (Burlington) “Does Matching Overcome LaLonde’s Critique of Nonexperimental Methods?”

2000 Southern Economic Association Meetings (Washington, DC) “Does Matching Overcome LaLonde’s Critique of Nonexperimental Methods?”

2000 Casey Foundation and Joint Center for Poverty Research Conference on Behavioral Effects of Tax and Transfer Programs (Washington, DC) “How Can We Improve Public Employment and Training Programs?”

2001 German American Academic Council Conference on Evaluation of Active Labour Market Policies (Berlin) “Does Matching Overcome LaLonde’s Critique of Nonexperimental Methods?”

2001 American Economic Association Meetings (New Orleans) “Reconciling Conflicting Evidence on the Performance of Propensity Score Matching Methods”

2001 Society of Labor Economists (Austin) “What is the Value Added by Case Workers?”

2001 HRDC Adult Education and Training Conference (Ottawa) “The Determinants of Participation in Adult Education and Training in Canada”

2001 Pacific Northwest Regional Economic Conference (Victoria) “The Impact of Classroom Training on Income Assistance Recipients: The British Columbia Experience”

2001 European Meetings of the Econometric Society (Lausanne) “Does Matching Overcome LaLonde’s Critique of Nonexperimental Methods?”

2001 Human Resources Development Canada Conference on Evaluation (Ottawa) “Improving the Evaluation of Employment and Training Programs in Canada.”

2001 Wissenschaftszentrum Berlin Workshop on Skill Needs and Labor Market Dynamics (Berlin) “College Quality and the Wages of Young Men”

2002 American Economic Association Meetings (Atlanta) “Evaluating Profiling as a Means of Evaluating Government Services”

2002 JHU/UM Applied Economics Day (Baltimore) “How Robust is the Evidence on the Effects of College Quality? Evidence from Matching”

2002 Australian Labour Econometrics Workshop (Canberra) “How Robust is the Evidence on the Effects of College Quality? Evidence from Matching”

2002 IZA Conference on Evaluation of Active Labour Market Programs (Bonn) “Does Matching Overcome LaLonde’s Critique of Nonexperimental Methods”

2003 American Economic Association meetings (Washington DC) “Equilibrium Policy Experiments and the Evaluation of Social Programs”

2003 Canadian Economic Association meetings (Ottawa) “How Robust is the Evidence on the Effects of College Quality? Evidence from Matching”

2003 Canadian Economic Association meetings (Ottawa) “What is the Value Added by Caseworkers?”

2004 Canadian Employment Research Forum Conference (Toronto) “Equilibrium Policy Experiments and the Evaluation of Social Programs”

2004 Conference in Honor of Mark Berger (Lexington) “Evaluating the Returns to College Quality with Multiple Proxies for Quality”

2004 Association for Public Policy and Management (Atlanta) “Are Program Participants Good Evaluators?”

2004 Southern Economic Association (New Orleans) “Are Program Participants Good Evaluators?” and “Evaluating the Returns to College Quality with Multiple Proxies for Quality”

2005 Econometric Society World Congress (London) “Equilibrium Policy Experiments and the Evaluation of Social Programs”

2005 Association for Public Policy and Management (DC) “Evaluating the Returns to College Quality with Multiple Proxies for Quality”

2005 CREST-INSEE Conference on Evaluation Methods (Paris) “Evaluating the Performance of Discontinuity Estimators Using Experimental Data”

2006 Society of Labor Economists (Boston) “Evaluating the Regression Discontinuity Design Using Experimental Data”

2006 Canadian Economic Association (Montreal) “The Econometric Evaluation of the New Deal for Lone Parents”

2006 CIMEE Conference on Search and Matching Models (Montreal) “Evaluating Search and Matching Models Using Experimental Data”

2006 IZA/IFAU Conference on Evaluation (Uppsala) “Equilibrium Policy Experiments and the Evaluation of Social Programs”

2008 Midwest Economic Association (Chicago) “Mismatch Between Students and Colleges”

2008 Society of Labor Economists (New York) “The Econometric Evaluation of the New Deal for Lone Parents”

2009 American Economic Association (SF) “Mismatch Between Students and Colleges”

2009 5th IZA Conference on Labor Market Policy Evaluation (Washington, DC) “Evaluating the Regression Discontinuity Design Using Experimental Data”

2009 Association of Public Policy and Management Annual Research Conference (Washington, DC) “Evaluating the Regression Discontinuity Design Using Experimental Data”

2010 ZEW Conference on Flexibility in Heterogeneous Labor Markets (Mannheim) “The Determinants and Effects of College Mismatch”

2010 Society of Labor Economists / European Association of Labor Economists (London) “Estimating Neighborhood Effects on Low Income Youth”

2010 Danish Microeconometrics Conference (Skagen) “Estimating Neighborhood Effects on Low Income Youth”

2010 IZA/IFAU Conference on Labor Market Policy Evaluation (Uppsala) “Women of the NSW”

2011 ASSA Meetings (Denver) “The Effects of College Mismatch”

2011 CLSRN/CIRPEE Montreal Applied Econometrics Workshop “The Determinants and Effects of College Mismatch”

2011 CESifo Education Group Meetings (Munich) “The Determinants and Effects of College Mismatch”

2012 Institute for Research on Poverty Summer Research Workshop (Madison) “Does Federally Funded Training Work? Non-experimental Estimates of WIA Training Impacts Using Longitudinal Data on Workers and Firms”

2012 CESifo Education Group Meetings (Munich) “Does Federally Funded Training Work? Non-experimental Estimates of WIA Training Impacts Using Longitudinal Data on Workers and Firms”

2012 APPAM (Baltimore) “The Effects of College Mismatch”

2013 ASSA Meetings (San Diego) “The Effects of College Mismatch”

2013 Search and Matching (SaM) Conference (Paris): “Equilibrium Policy Experiments and the Evaluation of Social Programs”

2013 12th IZA/SOLE Transatlantic Meeting of Labor Economists (Ammersee) “Does Federally Funded Training Work? Non-experimental Estimates of WIA Training Impacts Using Longitudinal Data on Workers and Firms”

2013 CESifo Education Group Meetings (Munich) “The Consequences of College Mismatch”

2013 IZA/IFS Conference on Labor Market Policy Evaluation (London) “Are Participants Good Evaluators?”

2013 CAFÉ Conference (Billund, DK): “Are Participants Good Evaluators?”

2014 ASSA Meetings (Philadelphia): “Sex and the STEM Trajectory: Evidence from NLSY-97”

2014 CESifo Education Group Meetings (Munich) “Government-Sponsored Vocational Training”

2014 CAFÉ Conference (Billund, DK) “Does Federally Funded Training Work? Non-experimental Estimates of WIA Training Impacts Using Longitudinal Data on Workers and Firms”

2015 Chicago Fed Conference in Honor of Robert LaLonde (Chicago): “The Women of the National Supported Work Demonstration”

2015 CLSRN Conference (Toronto) “Does Federally Funded Training Work? Non-experimental Estimates of WIA Training Impacts Using Longitudinal Data on Workers and Firms”

2015 CESifo Education Group Meetings (Munich) “The Women of the National Supported Work Demonstration”

2015 11th IZA Conference on Labor Market Policy Evaluation (Bonn) “Does Federally Funded Training Work? Non-experimental Estimates of WIA Training Impacts Using Longitudinal Data on Workers and Firms”

2015 APPAM “Does Federally Funded Training Work? Non-experimental Estimates of WIA Training Impacts Using Longitudinal Data on Workers and Firms”

2015 CAFÉ Conference (Billund, DK) “The Women of the National Supported Work Demonstration”

2016 NBER Labor Studies Group Spring Meeting (San Francisco) “The Women of the National Supported Work Demonstration”

2016 ZEW Conference on Occupations, Skills and the Labor Market (Mannheim) “The Consequences of Academic Match Between Students and Colleges”

2016 Canadian Labour Economics Forum (Ottawa) “The Consequences of Academic Match Between Students and Colleges”

2016 Tel Aviv University Applied Micro Workshop (Tel Aviv) “Does Federally Funded Training Work? Non-experimental Estimates of WIA Training Impacts Using Longitudinal Data on Workers and Firms”

2017 CESifo Education Group Meetings (Munich) “The Impact of Teacher Effectiveness on Student Learning in Africa”

2018 Society of Labor Economists (Toronto) “Teacher Effectiveness in Africa: Longitudinal and Causal Estimates”

2018 Canadian Labour Economics Forum (Montreal) “Teacher Effectiveness in Africa: Longitudinal and Causal Estimates”

2018 IZA 50th Anniversary Conference (Berlin) “Teacher Effectiveness in Africa: Longitudinal and Causal Estimates”

2019 Canadian Labour Economics Forum (Banff) “Simple Tests for Selection Bias: Learning More from Instrumental Variables”

Named lectures

2018 Malim Harding Lecture (University of Toronto) “Reflections on the Evaluation of Active Labo(u)r Market Policies”

Teaching

Courses taught at Western Ontario

Economics 222: 1994-95, 1996-97, 1997-98
Econometrics I (honors undergraduates) (~40 students)

Economics 223: 1995-96
Econometrics II (honors undergraduates) (~40 students)

Economics 400: 1995-96, 1997-98, 1999-00, 2000-01
Senior Seminar in Economic Policy (honors undergraduates) (~30 students)

Economics 395/695: 1996-97, 1997-98
Evaluation of Social Programs (honors undergraduates and graduate students) (~10 students)

Economics 388 1995-96, 2000-01
Applied Econometrics I (honors undergraduates) (~30 students)

Courses taught at Maryland

Economics 626: 2001-02, 2002-03, 2003-04, 2004-05
Topics in Empirical Microeconomics (graduate students) (~30 students)

Economics 422: 2002-03, 2003-04, 2004-05
Econometrics I (undergraduates) (40-60 students)

Economics 698S: 2004-05
Econometrics of Program Evaluation (graduate students) (~20 students)

Courses taught at Michigan

Economics 406 / 452 Fall 2007, 2008, 2009 2010, 2011, 2012, 2013, 2014, 2015, 2017
Introduction to Econometrics (undergraduates) (~70 students)

Economics 490 Winter 2010
Evaluation of Social Programs (undergraduates) (~20 students)

Economics 495 Winter 2007, 2009, 2012, 2013, 2014, 2015, 2016, 2017
Seminar on Evaluation of Social Programs (mostly honors undergraduates) (~12 students)

Economics 675 Winter 2006, 2007, Fall 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014
Applied Econometrics (graduate students) (20-60 students)

Public Policy 600, Winter 2008
Econometrics of Program Evaluation (graduate students) (10 students)
