 Email Address: yuya.sasaki@vanderbilt.edu
 Phone: Office: (615) 343-3016
 Cell: (401) 793-0700

Positions Held

Vanderbilt University	Associate Professor of Economics with Tenure	2017 – Present.
	Affiliated Faculty of Data Science Institute	2019 – Present.
Johns Hopkins University	Assistant Professor of Economics	2012 – 2017.

Temporary and Visiting Positions

Yale University, Cowles Foundation, February-May, 2015 (Hosted by Y. Kitamura)
 University of Michigan, Institute for Teaching and Research in Economics, April, 2012 (Hosted by J. Fox)
 International Monetary Fund, European Department, June-July, 2010. (Hosted by J. Mathisen)

Education

Brown University, MA in Economics (2008), Ph.D. in Economics (2012: Thesis Advisor: Frank Kleibergen)
 Utah State University, BS in Geography (2002), MS in Economics, Geography, and Mathematics (2007)

Fellowships and Honors

Fellow of the Journal of Econometrics, 2019 – present.
 Econometric Theory Multa Scripsit Award, 2019
 Econometric Society World Congress 2015 Travel Grant Award
 Econometric Society Travel Scholarship for Young Scholars 2014
 Merit Dissertation Fellowships, Department of Economics, Brown University, Spring and Fall 2011.
 Fukuzawa Lecture - Econometric Society Travel Scholarships for Young Scholars 2011
 Umezawa-Stoltz Award, Department of Economics, Brown University, 2009.
 Nicholas Beckwith III Fellowship, Brown University, 2009.

Japan IMF Scholarship for Advanced Studies, IMF Institute, 2007 – 2009.

Graduate Research Award, Department of Mathematics and Statistics, Utah State University, 2007.

Teaching Assistant of the Year, Department of Mathematics and Statistics, Utah State University, 2007.

Published and Forthcoming Papers (listed in the reverse chronological order of acceptance dates)

22. “Multiway Cluster Robust Double/Debiased Machine Learning”
Coauthored with Harold D. Chiang (University of Wisconsin - Madison), Kengo Kato (Cornell University), and Yukun Ma (Vanderbilt University)
Journal of Business & Economic Statistics, Forthcoming.
21. “Estimation and Inference for Moments of Ratios with Robustness against Large Trimming Bias”
Coauthored with Takuya Ura (University of California, Davis)
Econometric Theory, Forthcoming.
20. “Fixed- k Inference for Conditional Extremal Quantiles”
Coauthored with Yulong Wang (Syracuse University)
Journal of Business & Economic Statistics, Forthcoming.
19. “Testing and Relaxing the Exclusion Restriction in the Control Function Approach”
Coauthored with Xavier D’Haultfoeuille (CREST) and Stefan Hoderlein (Emory University and Amazon)
Journal of Econometrics (*Themed Issue Honoring Whitney Newey*), Forthcoming.
18. “Robust Inference in Deconvolution”
Coauthored with Kengo Kato (Cornell University) and Takuya Ura (University California, Davis)
Quantitative Economics, 12 (1), pp. 109-142, January 2021.
[Stata command: `ssc install kotlarski`]
17. “Quantile Regression with Interval Data”
Coauthored with Arie Beresteanu (University of Pittsburgh)
Econometric Reviews (*Special Issue Honoring Cheng Hsiao*), Forthcoming.
[Stata command: `ssc install itvalpctile`]
16. “Quantile Treatment Effects in Regression Kink Designs”
Coauthored with Heng Chen (Bank of Canada) and Harold D. Chiang (Vanderbilt University)
Econometric Theory, 36 (6), pp. 1167-1191, December 2020.
[Stata command: `ssc install rkqte`]
15. “Estimating Production Functions with Robustness against Errors in the Proxy Variable”
Coauthored with Yingyao Hu (Johns Hopkins University) and Guofang Huang (Purdue University)
Journal of Econometrics, 215 (2), pp. 375-398, April 2020.
[Stata command: `ssc install robustpf`]
14. “Uniform Confidence Bands for Nonparametric Errors-in-Variables Regression”
Coauthored with Kengo Kato (Cornell University)
Journal of Econometrics, 213 (2), pp. 516-555, December 2019.
[Stata command: `ssc install npeivreg`]
13. “Robust Uniform Inference for Quantile Treatment Effects in Regression Discontinuity Designs”
Coauthored with Harold D. Chiang (Vanderbilt University) and Yu-Chin Hsu (Academia Sinica)
Journal of Econometrics, 211 (2), pp. 589-618, August 2019.

9. “Nonparametric Heteroskedasticity in Persistent Panel Processes: An Application to Earnings Dynamics”
Coauthored with Irene Botosaru (University of Bristol)
Journal of Econometrics, 203 (2), pp. 283-396, April 2018.
[Stata command: `ssc install npss`]
8. “Closed-Form Identification of Dynamic Discrete Choice Models with Proxies for Unobserved State Variables”
Coauthored with Yingyao Hu (Johns Hopkins University)
Econometric Theory, 34 (1), pp. 166-185, February 2018.
7. “Unequal Spacing in Dynamic Panel Data: Identification and Estimation”
Coauthored with Yi Xin (Johns Hopkins University)
Journal of Econometrics, 196 (2), pp. 320-330, February 2017.
[Stata command: `ssc install xtusreg`]
6. “Identification of Paired Nonseparable Measurement Error Models”
Coauthored with Yingyao Hu (Johns Hopkins University)
Econometric Theory, 33 (4), 955-979, August 2017.
[Stata command: `ssc install reporterror`]
5. “On Using Linear Quantile Regressions for Causal Inference”
Coauthored with Ryutah Kato (Johns Hopkins University)
Econometric Theory, 33 (3), 664-690, June 2017.
4. “Heterogeneity and Selection in Dynamic Panel Data”
Solo-Authored
Journal of Econometrics, 188 (1), pp. 236-249, September 2015.
3. “Estimation of Heterogeneous Autoregressive Parameters with Short Panel Data”
Coauthored with Sophocles Mavroeidis (Oxford University) and Ivo Welch (UCLA)
Journal of Econometrics, 188 (1), pp. 219-235, September 2015.
2. “Closed-Form Estimation of Nonparametric Models with Non-Classical Measurement Errors”
Coauthored with Yingyao Hu (Johns Hopkins University)
Journal of Econometrics, 185 (2), pp. 392-408, April 2015.

1. “What Do Quantile Regressions Identify for General Structural Functions?”
Solo-Authored
Econometric Theory, 31 (5), pp. 1102-1116, October 2015.

Papers under Revision/Resubmission

- “Post-Selection Inference in Three-Dimensional Panel Data” joint with Harold D. Chiang (University of Wisconsin - Madison) and Joel Rodrigue (Vanderbilt University) **Revise & Resubmit at Econometric Theory**
- “Estimation and Inference for Policy Relevant Treatment Effects” joint with Takuya Ura (University of California, Davis) **Revise & Resubmit at Journal of Econometrics**
- “Nonlinear Difference-in-Difference in Repeated Cross Sections with Continuous Treatments” joint with Xavier D’Haultfoeuille (CREST) and Stefan Hoderlein (Emory University and Amazon) **Revise & Resubmit at Journal of Econometrics**

Working Papers

- “Welfare Analysis via Marginal Treatment Effects” joint with Takuya Ura (University of California, Davis)
- “Inference for High-Dimensional Exchangeable Arrays” joint with Harold D. Chiang (University of Wisconsin - Madison) and Kengo Kato (Cornell University)
- “Unconditional Quantile Regression with High Dimensional Data” joint with Takuya Ura (University of California, Davis) and Yichong Zhang (Singapore Management University)
- “Testing Finite Moment Conditions for the Consistency and the Root-N Asymptotic Normality of the GMM and M Estimators” joint with Yulong Wang (Syracuse University)
- “Constructive Identification of Heterogeneous Elasticities in the Cobb-Douglas Production Function” joint with Tong Li (Vanderbilt University)
- “Estimation of (Static or Dynamic) Games under Equilibrium Multiplicity” joint with Martin Pesendorfer (LSE), Taisuke Otsu (LSE) and Yuya Takahashi (University of Washington)
- “Dynamic Discrete Choice Models with Incomplete Data: Sharp Identification” joint with Yuya Takahashi (University of Washington), Yi Xin (Caltech), and Yingyao Hu (Johns Hopkins University)
- “Heterogeneous Firms: Skilled-Labor Productivity and the Destination of Exports” joint with Jorge Balat (University of Texas - Austin) and Irene Brambilla (UNLP)

Invited Lectures

- 2019 – Mini Course (3 Hour Lecture), Department of Economics, University of Bristol, U.K. Course Title: “Quantile Regression Kink Designs” (December)
- 2018 – Workshop on Advanced Econometrics (3 Hour Lecture), Center for Research in Econometric Theory and Applications (CRETA), National Taiwan University, Taiwan. co-hosted by Taiwan Econometric Society (TES) and Academia Sinica. Lecture Title: “Deconvolution Methods: Theory and Practical Guide” (May)
- 2016 – Workshop on Advanced Econometrics (3 Hour Lecture), Center for Research in Econometric Theory and Applications (CRETA), National Taiwan University, Taiwan. co-hosted by Taiwan Econometric

Society (TES) and Academia Sinica. Lecture Title: “Recent Advancements in Nonlinear, Nonparametric, and Nonseparable Econometric Models with Measurement Errors” (April)

Seminar Presentations

- 2021 - University of Southern California - Department of Economics, Los Angeles (April) Online
National University of Singapore - Department of Economics / Singapore Management University - School of Economics (Joint Seminar), Singapore (March) Online

Teaching

Vanderbilt University

ECON 3750: (Undergraduate) “Econometrics for Big Data” Fall 2019, Spring 2021.

ECON 4050: (Undergraduate) “Topics in Econometrics: Big Data” Spring 2018.

ECON 6500: (Masters) “Statistical Analysis” Fall 2020.

ECON 6600: (Masters) “Econometrics” Spring 2018.

ECON 8300: (Ph.D.) “Statistical Analysis” Fall 2018, 2020.

ECON 8310: (Ph.D.) “Econometrics I” Spring 2019, 2020.

Johns Hopkins University

180-356: (Undergraduate) “Big Data” Spring 2017.

180-636: (Ph.D.) “Statistical Inference” Fall 2012, 2013, 2014, 2015, 2016.

180-637: (Ph.D.) “Microeconometrics I” Fall 2012, 2013, 2014, 2015, 2016.

University Services

Appellate Review Board Member, Vanderbilt University, 2019 – 2021.

Graduate Admissions Committee Member, Department of Economics, Vanderbilt University, 2017 – 2018, 2018 – 2019, 2019 – 2020.

Dean’s Teaching Fellowship Committee Member, Office of the Dean, Krieger School of Arts and Sciences, Johns Hopkins University, 2014 – 2015, 2015 – 2016, 2016 – 2017.

Graduate Admissions Committee Member, Department of Economics, Johns Hopkins University, 2012 – 2013, 2013 – 2014, 2015 – 2016, 2016 – 2017.

External Services

External Committee Member for Ph.D. Dissertation, James M. Brand, Ph.D. 2021, Department of Economics, University of Texas - Austin, USA.

External Reviewer of University of Waseda Research Awards.

External Evaluator for a tenure-track recruitment in econometrics, 2019, Department of Economics, University of Bern, Switzerland.

External Examiner for Ph.D. Dissertation, Marie-Hélène Felt, Ph.D. 2016, Department of Economics, Carleton University, Canada.

Professional Services

Scientific Committee Member of the 2021 North American Summer Meeting of the Econometric Society, Online Conference (Originally Planned in Montréal, Canada), June, 2021.

Program Committee Member of the 2020 Econometric Society World Congress, Online Conference (Originally Planned in Milan, Italy), August, 2020.

Scientific Program Committee Member of the 12th International Conference of the European Research Consortium for Informatics and Mathematics Working Group on Computational and Methodological Statistics (CMStatistics) and the 13th International Conference on Computational and Financial Econometrics (CFE), London, U.K., December, 2019

Organizer of Invited Session on “Deconvolution of Factor & Measurement Error Models,” Asian Meeting of Econometric Society, Xiamen, China, June 2019.

Associate Editor – *Journal of Econometric Methods* – from 2018 to present.

Presidential Session Organizer on “Causal Inference,” Southern Economic Association, Washington DC, USA, November 2018.

Scientific Committee Member of the 5th International Association of Applied Econometrics (IAAE) Conference, Montréal, Canada, June 2018.

Scientific Committee Member of the 4th International Association of Applied Econometrics (IAAE) Conference, Sapporo, Japan, June 2017.

Organizer of the 11th Greater New York Metropolitan Area Econometrics Colloquium, Johns Hopkins University, March 2016.

Organizer of the Special Lecture on “Econometrics of High-Dimensional Sparse Models” by Victor Chernozhukov (MIT), Department of Economics, Johns Hopkins University, Fall 2014.

Applied Microeconomics Seminar Organizer, Department of Economics, Johns Hopkins University, Fall, 2014

Referee for *Annals of Economics and Statistics*; *Annals of the Institute of Statistical Mathematics*; *Econometrica*; *Econometrics*; *Econometrics Journal*; *Econometric Reviews*; *Econometric Theory*; *Economics Journal*; *Economics Letters*; *Frontiers in Public Health*; *Information Sciences*; *Japanese Economic Review* (Nakahara Prize Lecture); *Journal of Applied Econometrics*; *Journal of Business & Economic Statistics*; *Journal of Econometric Methods*; *Journal of Econometrics*; *Journal of the Royal Statistical Society*; *Hacettepe Journal of Mathematics and Statistics*; *Oxford Bulletin of Economics and Statistics*; *Proceedings of the National Academy of Sciences of the United States of America*; *Quantitative Economics*; *Review of Economics and Statistics*; *Review of Economic Studies*; *Statistica Sinica*; *Statistical Papers*; *Statistics & Probability Letters*.

Graduate Advising (★ indicates my service as the primary Ph.D. thesis advisor)

Matthew L. Chambers, Ph.D., expected in 2021, Vanderbilt University, USA.

Served as a Ph.D. thesis committee member. (Primary thesis advisor: Matthew Zaragoza-Watkins).

Ebehi Iyoha, Ph.D., expected in 2021, Vanderbilt University, USA.

Served as a Ph.D. thesis committee member. (Primary thesis advisor: Joel Rodrigue).

Placement: Assistant Professor, Harvard Business School, USA.

★ Harold D. Chiang, Ph.D., 2020, Vanderbilt University, USA.

Served as the primary advisor for the Ph.D. thesis (at Vanderbilt University).

Served as the primary advisor for the second-year paper (at Johns Hopkins University).

Placement: Assistant Professor of Economics, University of Wisconsin - Madison, USA.

Ryutah Kato, Ph.D., 2020, Johns Hopkins University, USA.

Served as an external reference after I left Johns Hopkins. (Primary thesis advisor: Richard Spady).

Placement: Assistant Professor of Economics, University of Hiroshima, Japan.

Yi Xin, Ph.D., 2018, Johns Hopkins University, USA.

Served as an external reference after I left Johns Hopkins. (Primary thesis advisor: Yingyao Hu).

Served as the primary advisor for the second-year paper.

Placement: Assistant Professor of Economics, California Institute of Technology, USA.

Mikhail Smirnov, Ph.D., 2016, Johns Hopkins University, USA.

Served as the second reader for the Ph.D. thesis. (Primary thesis advisor: Robert Moffitt).

Placement: Research Scientist, Center for Naval Analyses, USA.

Ruli Xiao, Ph.D., 2014, Johns Hopkins University, USA.

Served as the second reader for the Ph.D. thesis. (Primary thesis advisor: Yingyao Hu).

Placement: Assistant Professor of Economics, Indiana University at Bloomington, USA.

Xi Yang, Ph.D., 2014, Johns Hopkins University, USA.

Served as the second reader for the Ph.D. thesis. (Primary thesis advisor: Robert Moffitt).

Placement: Postdoctoral, School of Public Policy, University of Southern California, USA; then
Assistant Professor of Economics, University of North Texas, USA.

Jeanne Verrier, MA, 2014, Johns Hopkins University, USA.

Served as the master's thesis supervisor.

Placement: International Monetary Fund.

David Tigges, MA, 2013, Johns Hopkins University, USA.

Served as the master's thesis supervisor.

Placement: Government Employees Insurance Company.
