

Kaiji Chen

August 2022

Address: Department of Economics, Emory University, Atlanta, GA 30322-2240

Phone: (404) 727-2944

Fax: (404) 727-4639

Email: kaiji.chen@emory.edu

Homepage: <http://> <https://sites.google.com/site/chenkaiji/>

Education

- Ph.D., Economics, University of Southern California, May 2005
Dissertation: Essays on Social Security
- M.A., Economics, Fudan University, China, July 2000
- B.A., Economics, Shanghai Institute of Foreign Trade, China, July 1997

Current Positions:

- Associate Professor (with tenure) at Department of Economics, Emory University, since September 2016
- Senior Research Fellow, Federal Reserve Bank of Atlanta, since September 2010.

Past Positions:

- Assistant Professor at Department of Economics, Emory University, September 2010-August, 2016
- Assistant Professor at School of Economics and Finance, University of Hong Kong, Hong Kong, August 2009-July 2010
- Postdoc Fellow at Department of Economics, University of Oslo, Norway, August 2005-August 2009

Current Research Interests

- China's Macroeconomy; Monetary Policies; Financial Aspects of Macroeconomics.

Grants and Awards

- **Principal Investigator: National Science Foundation (NSF)** “Quantifying the Interactions Between the Financial Sector and the Macroeconomy in China: A Structural Approach”, **Award # 15584846**.
- **The 3rd Sun Yefang Financial Innovation Award** (2018) by Sun Yefang Foundation for the paper “The Great Housing Boom of China,” published in *American Economic Journal: Macroeconomics* in July 2017.
- **The Best Paper Award** for “Impacts of Monetary Stimulus on Credit Allocation and Macroeconomy, Evidence from China,” presented at the 1st China International Conference in Macroeconomics (2018).
- The article “The Nexus of Monetary Policy and Shadow Banking in China” featured in the February 2019 **American Economic Association** weekly series (<https://www.aeaweb.org/research/charts/chinese-monetary-shadow-banking>)

Distinctions and Services:

- Associate Editor, *International Economic Review*, July 2022-
- Associate Editor, *China Economic Review*, February 2018-present
- Editorial Board, *VoxChina*, June 2017-present
- Program Committee Member of 2022 China International Conference in Macroeconomics.
- Program Committee Member of 2021 China Meeting of the Econometric Society.
- Program Committee Member of 2021 China International Conference in Macroeconomics.
- Program Committee Members of 2019 China International Conference on Macroeconomics.
- Session Chair for 2020 North American Winter Meeting of the Econometric Society.
- Program Committee Member of 2018 Latin American Meeting of the Econometric Society
- Reviewer of NSF Grant (2020)
- Review panelist for the 2018 NSF Graduate Research Fellowship Program (GRFP)

Keynote Speech:

- “Monetary Stimulus Amidst Infrastructure Investment Spree: Evidence from China’s Loan-level Data,” at 2019 Lingnan Macroeconomic Workshop, Guangzhou, China

- “Macroeconomic Effects of China’s Financial Policies,” at 2019 Summer Workshop on Fintech and Banking, Beijing China.

Courses Taught

Emory University

Undergraduate Teaching

1. ECON 363 (Political Economy of China), Spring 2020, Fall 2020, Fall 2021
2. ECON 112 (Principles of Macroeconomics), Spring 2016 (on-going)
3. ECON 212 (Intermediate Macroeconomics), Spring 2011, Fall 2011, Fall 2012, Fall 2013, Spring 2015, Fall 2015, Spring 2016 (on-going)
4. ECON 410WR (Topics in Macroeconomics), Spring 2015
5. ECON 485 (Advanced Topics in Economics---Growth and Public Finance), Spring 2012, Fall 2013
6. ECON 411WR (Money and Banking), Spring 2011

Graduate Teaching

7. ECON 511 (Macroeconomic Theory II), Spring 2017-2022
8. ECON 510 (Macroeconomic Theory I), Fall 2010, Fall 2011, Fall 2012
9. ECON 720 (Topics in Macroeconomics and Finance), Spring 2013
10. ECON 711 (Money/Financial Economics), Fall 2019

Other Institutes

1. Recursive Macroeconomic Theory (first year Ph.D. course), Spring 2007-2009
1. Numerical Methods in Economics (second year Ph.D. course), Spring 2006
2. Intertemporal Macroeconomics (second year Master course), Fall 2005-2008
3. Introductory Macroeconomics, Spring 2010
4. Chinese Economic Reform (second year Master course), Spring 2006

Students Advisement

Ph.D. Students at Emory

Co-chair of Dissertation Committee

1. Yiqing Xiao (graduation 2022)
2. Carla Moreno (graduation 2022)
3. Jue Ren, Texas Christian University (Graduation 2017)

Member of Dissertation Committee

4. Aliksandr Zaretski (graduation 2022)
5. Carlos Bellasteros-Ruiz (graduation 2022)
6. Cheng Ding (graduation 2022)
7. Anne Hannusch, Maeimheim University, Germany (Graduation 2018)
8. Tong Xu, Southwest University of Finance and Economics, China (Graduation 2018)
9. Xiangyu Gong (Graduation, 2018)
10. Edouard Wemy, Clark University (Graduation 2016)
11. Zhao Li (Graduation 2016)
12. Magarita Zebalina (Graduation 2016)
13. Ginindza Mzwandile (Graduated in 2012)

Undergraduate Honor Thesis at Emory

1. Enoch Tang (Main advisor, Thesis awarded with Highest Honor in 2022)
2. Rock Rui (Thesis Committee Member, Thesis awarded with High Honor in 2022)
3. Patrick Pan (Thesis Committee Member, Thesis awarded with Highest Honor in 2022)
4. Vicky Wang (Thesis Committee Member, student expected to graduate in May 2021)
5. Christina Ye (Main advisor, graduate in 2020, Thesis awarded with Higher Honor in 2020)
6. Yijue Diao (Main advisor, graduate in 2016, Thesis awarded with Higher Honor in 2016)
7. Hanqiu Xia (Thesis Committee Member, Thesis awarded with Highest Honor in 2015)
8. Yuxue Zhang (Main advisor, graduate in 2014)
9. Suzie Noh (Main Advisor, Thesis awarded with Highest Honor in 2013)
10. Hwei Shen (Thesis Committee Member, Thesis awarded with Highest Honor in 2013)
11. Jacqueline Ho (Thesis Committee Member, student Thesis awarded with High Honor in 2013)
12. Yifan Wang (Thesis Committee Member, Thesis awarded with High Honor in 2013)

Service

Emory University

Emory College and Laney Graduate School

1. Member of Emory College's Honors Committee (since Fall 2022)
2. Member of Dean's Teaching Fellowship Faculty Committee (Since Fall 2021)
3. Member of Woodruff Fellowship Selection Committee (Fall 2020-Spring 2022)
4. Faculty Advisor of Emory College Honor Council (2019-2020 academic year)
5. Member of Educational Policy Committee, Emory College (2012-2013 academic year)

Economics Department

6. Emory/Atl Fed Macro Seminar Coordinator (Fall 2021)
7. Member of Graduate Admission Committee, Economics Department (Since Fall 2015)
8. Research Mentor for Junior Faculty (since Fall 2017)
9. Teaching Mentor for Junior Faculty (since Fall 2017)
10. Member of Ph.D. Program Marketing Committee, Economics Department (since fall 2015)
11. Research Seminar Coordinator, Economics Department (2012-2015)
12. Coordinator of Brown Bag Seminar in Macroeconomics/Econometrics, Economic Department (2012-2013, 2015, 2017-present)
13. Member of Faculty Recruiting Committee, Economics Department (2012, 2014, 2016)
14. Member of Macroeconomics Core Exam Committee, Economics Department (2011-2013, 2016-present)

Economic Profession and other Institutions

- External Examiner for PhD Thesis Defense (2020)
- External reviewer for tenure and promotion (2018, 2020)
- Member of Junior Faculty Recruiting Committee, University of Hong Kong (2009)
- Member of MEcon Admissions Committee, University of Hong Kong (2009)
- External Reviewer of General Research Fund of the Research Grants Council, Hong Kong (2009, 2010, 2015)

Conference Moderator

- Session Moderator for “the *1st Research Workshop on China’s Economy*”, co-organized by International Monetary Funds and Federal Reserve Bank of Atlanta, April 2016
- Session Moderator for Conference on “*What Should We Really Expect on Macroeconomic Policy*,” co-organized by Federal Reserve Bank of Atlanta and Emory University, November 2011.

Referee for Professional Journals

American Economic Review, Econometrica, Review of Economic Studies, Journal of Finance, Economic Journal, American Economic Journal: Macroeconomics, Journal of Monetary Economics, Journal of Economic Theory, Journal of International Economics, Quantitative Economics, International Economic Review, Journal of European Economic Association, Review of Economic Dynamic, Review of Finance, European Economic Review, Journal of Economic Growth, Journal of Development Economics, Economic Inquiry, Journal of Economic Dynamics and Control, Journal of Public Economics, Scandinavia Journal of Economics, The B.E. Journals in Macroeconomics, China Economic Review, Japan and the World Economy, Economics E-Journal, Macroeconomic Dynamics, Pacific Economic Review.

Seminars and Conference Presentations

2022

- “Aggregate and Distributional Impacts of Housing Policy: China’s Experiment,” Utah State University
- “Bank Wholesale Funding, Monetary Transmission, and Evidence from China,” Singapore Management University (scheduled), Society of Economic Dynamics, North American Econometric Society Summer Meeting.
- “China’s Macroeconomic Development: An Integrated Framework,” SWUFE Macroeconomic Workshop

2021

- “Bank Wholesale Funding, Monetary Transmission, and Evidence from China,” NBER Chinese Economy Working Group Meeting, the 6th Bank of Canada-Tsinghua PBCSF-University of Toronto Conference on the Chinese Economy, Peking University (invited), Southwest University of Finance and Economics (invited), China International Conference in Macroeconomics (invited), China Meeting of Econometric Society (invited), Renming University.
- “Aggregate and Distributional Impacts of Housing Policy: China’s Experiment,” NBER-SAIF Research Conference on Real Estate Markets and Housing Finance in China
- “Monetary Stimulus Amidst Infrastructure Investment Spree: Evidence from China’s Loan-level Data,” North American Summer Meeting of Econometric Society.

2020

- “Aggregate and Distributional Impacts of Housing Policy: China’s Experiment,” at Queen and Marry University of London (invited), NBER Summer Institute, World Congress of Econometric Society, Geneva International Finance and Macroeconomic Workshop (invited).
- “Monetary Stimulus Amidst Infrastructure Investment Spree: Evidence from China’s Loan-level Data,” Fudan University (invited).

2019

- “Aggregate and Distributional Impacts of Housing Policy: China’s Experiment,” at NBER Chinese Economy Meeting, New York Fed (invited), University of Connecticut (invited), Hong Kong Baptist University (invited), CUNY Burach (invited), Peking University (invited), Nanjing University (invited), Central University of Finance and Economics (invited), SWUFE International Macro-Finance Conference 2019, 6th International Conference on NSE, DUFU Workshop on Macroeconomics and Development, Fifth Bank of Canada-Tsinghua PBCSF-Toronto University Conference in Chinese Economy, Jinan University (invited).
- “Impacts of Monetary Stimulus on Credit Allocation and Macroeconomy: Evidence from China,” at Clemson University (invited), 2019 AFR Summer Institute of Economics and Finance (invited), 2nd HKUST-Jinan Joint Conference on Macroeconomics (invited), Lingnan Macroeconomic Workshop (keynote speaker)
- “Macroeconomic Effects of China’s Financial Policies,” at Summer Workshop on Fintech and Banking (keynote speaker)

2018

- “Macroeconomic Effects of China’s Financial Policies” at 11th Conference on China’s Economic Development and U.S.-China Economic Relations at George Washington University (invited), Advanced Summer Academic Seminars on “China’s Economy and Financial Markets” at Shenzhen Finance Institute, CUHK, Shenzhen, (invited).
- “The Nexus of Monetary Policy and Shadow Banking in China” at Macro Finance Modelling 2018 Winter Meeting (invited), University of Southern California (invited), University of Richmond (invited),
- “Impacts of Monetary Stimulus on Credit Allocation and Macroeconomy” Evidence from China,” at Jiangxi University of Finance and Economics (invited), SWUFE International Macroeconomic Workshop, 2018 China International Conference in Macroeconomics, 3rd IMF-ATLANTA FED Workshop on "China in the Global Economy",
- “Fundamental versus Speculative Credit Boom? Anatomy of China’s Mortgage Market”, at Fudan University (invited).

2017

- “Impacts of Monetary Stimulus on Credit Allocation and Macroeconomy: Evidence from China” at 3rd Symposium on New Structural Economics (invited), Shanghai Tech University (invited)
- “The Asymmetric Transmission of China’s Monetary Policy” at Annual Meeting of Society of Economic Dynamics in Edinburgh, Southwest University of Finance and Economics (invited)
- “The Nexus of Monetary Policy and Shadow Banking in China” at Tsinghua University (invited department seminar), Sichuan University (invited department seminar) and East Normal University of China (invited department seminar)

2016

- “The Great Housing Boom of China” at American Economic Association Annual Meeting in San Francisco
- “What do We Learn from China’s Rising Shadow Banking: Exploring the Nexus of Monetary Tightening and Banks’ Role in Entrusted Lending” at Shanghai University of Finance and Economics (invited department seminar), NBER Chinese Economy Meeting, May 2016 in Shenzhen, China, Annual Meeting of Society of Economic Dynamics, Toulouse, June 2016

2015

- “The Great Housing Boom of China” at Federal Reserve Bank of Kansas City (invited department seminar)
- “Lending Efficiency Shocks” at Society of Economic Dynamics Annual Meeting in Warsaw, Poland
- “Trends and Cycles in China’s Macroeconomy” at Society of Economic Dynamics Annual Meeting in Warsaw, Poland, China Summer Institute of Economics in Beijing, China, Workshop on Chinese Economy under New Norms and Monetary Policy in Shanghai, China
- “The Great Housing Boom of China” at Fudan University, China (invited department seminar) and Shanghai Jiaotong University, China (invited department seminar)
- “Investment-Specific Technology Changes: The Source of Anticipated TFP Fluctuations” at North American Winter Meeting of Econometric Society in Boston

2014

- "The Great Housing Boom of China" at Federal Reserve Bank of St. Louis (invited department seminar), Georgia Institute of Technology (invited department seminar), NBER Chinese Economy Meeting in Boston, Federal Reserve Bank of Atlanta, Midwest Macro Meeting (Fall) in Miami, Housing- Urban-Labor-Macro (HULM) Conference in New York, North American Summer Meeting of Econometric Society in Minneapolis
- "Investment-Specific Technology Changes: The Source of Anticipated TFP Fluctuations" at Shanghai Jiaotong University (invited department seminar), China, Midwest Macro Meeting (Spring) in Columbia, Missouri
- "The Role of Allocative Efficiency in a Decade of Recovery" at the North American Winter Meeting of Econometric Society in Philadelphia, Annual Meeting of Southeast Economic Association in Atlanta

2013

- "The Role of Allocative Efficiency in a Decade of Recovery" at Annual Meetings of Society of Economic Dynamics in Seoul, Korea, North American Summer Meetings of Econometric Society at Los Angeles
- "Debt in the U.S. Economy" at North American Winter Meetings of Econometric Society in San Diego, Midwest Macro Meetings in Urbana-Champaign
- "The Great Housing Boom of China" at Tsinghua Macro Workshops in China, Shanghai Macro Workshops in China
- "Lending Efficiency Shocks" at Vanderbilt University (invited department seminar) and Fudan University, China (invited department seminar)

2012

- "Debt in the U.S. Economy" at Georgia Southern University (invited department seminar)

2011

- "Identifying Sources of the Cyclicalities of Capital Productivity Dispersions Through Financial Frictions" at NBER Summer Institute in Boston
- "Uncertainty, Capital Reallocation and TFP Dynamics" at Midwest Macro Workshop at Nashville, Shanghai Macro Workshop
- "Asset Market Liquidity and Crisis" at University of Southern California (invited department seminar), Federal Reserve Bank of St. Louis (invited department seminar), University of Singapore (invited department seminar), Nanyang University of Technology (invited department seminar)

Before joining Emory University

2010

- Federal Reserve Bank of Atlanta (invited), Hong Kong University of Science and Technology (Invited), International Monetary Funds (invited), University College London (Invited), Emory University (Invited), Shanghai Macroeconomic Workshop

2009

- Federal Reserve Bank of Cleveland (invited), University of Southern California (invited), Hong Kong University of Science and Technology (invited), University of Hong Kong (invited), Minnesota Macroeconomic Workshop, Annual Meetings of the Society for Economic Dynamics, North American Summer Meetings of the Econometric Society, 3rd Nordic Summer Symposium in Macroeconomics, Tsinghua Macroeconomic Workshop, Workshop on “Incentives, Efficiency, and Redistribution in Public Economics”

2008

- University of Iowa (Invited), University of Southern California (invited), University of Zurich (invited)

2007

- Annual Meetings of the Society for Economic Dynamics, Mid-West Macro Meetings, North American Summer Meetings of the Econometric Society, II REDg Workshop on Dynamic General Equilibrium Macroeconomics, SAET Conference on Current Trends in Economics, Stockholm School of Economics, Uppsala Unveristy (invited)

2006

- CEMFI (invited), MEA University of Mannheim, IIES Stockholm University. Annual Meetings of the Society for Economic Dynamics, Annual Congress of the European Economic Association, International Conference on Computing in Economics and Finance

2005

- Bank of Canada (invited), Federal Reserve Bank of Atlanta (invited), Federal Reserve Bank of Minneapolis (invited), University of British Columbia (invited), University of Oslo (invited), University of Pennsylvania (invited), State University of New York, Stony Brook (invited).
