- “Avian Flu and Product Upgrading,” work in progress.
- “Impact Evaluation of a Matching Grant Program: A Randomized Controlled Trial Approach,” work in progress.

TEACHING EXPERIENCE

- Adjunct Professor, Paul H. Nitze School of Advanced International Studies, Johns Hopkins University, January 2024 - May 2024
 Course taught: Advanced Topics in Trade Theory (Graduate level)
 Student evaluation: 4.6/5
 Student comments: “Super informative class! I do not usually find Trade very interesting but I really enjoyed this class and the subject matter. Professor Kee is super

knowledgeable and does an amazing job. She's a great professor." "She actively encourages discussion and synthesis of the material by the students. This greatly enhanced the course." "Amazing professor! Really good at tying the more abstract theoretical topics to current events to make their application more apparent/relevant. "

- Adjunct Professor, Walsh School of Foreign Service, Georgetown University, August 2021 - December 2021
Course taught: International Economics: Tools and Applications (Graduate level)
Student evaluation: 4.9/5 (after 1st class)
Student comments: "Great with integrating news headlines on economic developments into lesson content." "Lots of engagement with student questions throughout the presentation, ability to bring in anecdotes and examples accordingly." "Explained concepts in very accessible terms." "Engaging lecture and stimulated discussion."
- Adjunct Professor, Paul H. Nitze School of Advanced International Studies, Johns Hopkins University, January 2018 - June 2019
Course taught: Advanced Topics in Trade Theory (Graduate level)
Student evaluation: 4.8/5
Student comments: "Great professor;" "A privilege to have taken this class from a qualified and reputable professor like Kee." "Professor was great, and was able to break down the complex theoretical knowledge of trade into the bit-size applications in trade."
Student thesis advisee: Soyoung, Han on "Trade Policy Uncertainty: the Generalized System of Preferences Program." 1st job: Peterson Institution of International Economics, Washington, DC; Currently enroll in the Economics Ph.D. program at the University of Michigan.
- Instructor, DEC/PREM Learning Events, the World Bank, April 2007 - June 2007
Course taught: Trade Flows and Trade Protections
Overall evaluation: 4.14 out of 5
- Instructor, Trade Policy for Development Executive Course, Columbia University (SIPA) joint with World Bank Institute, April 2007 - May 2007
Course taught: Trade Flows and Trade Protections
- Teaching Assistant, Department of Economics, UC-Davis, March 1996 - March 1999
Courses taught (# of quarters): Ph.D. Microeconomic Theory (2), Teaching of Economics (2), International Microeconomics (1), Principles of Microeconomics (2), Principles of Macroeconomics (4)
Overall evaluation: 4.6 out of 5
- Tutor, Department of Business Policy, National University of Singapore, 1994-1995
Courses taught: Principles of Economics (2 semesters)
