

**Shu Tian** (Principal Economist, Asian Development Bank)

Dr. Shu Tian is a Principal Economist at the Economic Research and Development Impact Department (ERDI) of the Asian Development Bank (ADB). Prior to joining ADB, she was an Associate Professor of Finance at Fudan University in China. Her main working area is financial sector development, climate and sustainable finance, and digital transformation. Dr. Tian works in a team to support the Asian Bond Market Initiative, an ASEAN+3 Initiative. She leads the production of Asia Bond Monitor and maintains the AsianBondsOnline (<https://asianbondsonline.adb.org/>), an online information platform for ASEAN+3 bond markets. She has led and co-led many ADB flagship report, including the Asian Development Outlook theme chapters and thematic reports, Asian Development Policy Report, and Asia Pacific Climate Report.
